## FANS

To determine how many fans turns up to support your team roll 2D6 and add your fan factor, multiply the score by 1000. If the roll for the gate means that your team is being supported by an equal number or fewer fans than the opposition then your FAME for the match is Zero. If it is higher then your FAME is +1 , if your team has wice as many or more fans than your opponent your fame for the match will be +2 instead.

## WEATHER TABLE (2D6)

| $\mathbf{2}$ | Sweltering Heat: Its so hot and humid that some players collapse from heat exhaustion. Roll a D6 FOR each player on the pitch at the end of the drive. On a roll <br> of 1 the player collapses and may not be set up for the next kick off <br> Very Sunny: A glorious day, but the blinding sunshine causes a -1 modifier on all passing rolls |
| :---: | :--- |
| 4-10 | Nice: Perfect Blood Bowl weather |
| $\mathbf{1 1}$ | Pouring Rain: Its raining, making the ball slippery and difficult to hold. A-1 modifier applies to all catch, intercept, or pick-up rolls. |
| $\mathbf{1 2}$ | Blizzard: Its cold and snowing! The ice on the pitch means that any player attempting to move an extra square (GFI) will slip and be Knocked Down on a roll of 1 - | 2, while the snow means that only quick or short passes can be attempted.

CASUALTY TABLE (D68)

Result
2
Get The Ref: Than fans exact gruesome revenge on the referee for some of the dubious decisions he has made, either during this match or in the past. Each team Receive 1 bribe to use during the game.

3 Riot: The trash talk between two opposing players explodes and rapidly degenerates, involving the rest of the players. If either teams turnmarker is on turn 8 , both teams move their turn marker back one space, If either teams turn marker is on turn 1 move both teams turn marker forward 1 space. Otherwise roll a D6 on a 1-3 both teams turn markers move forward one space, 4-6 both teams turnmarkers move back one space

4
Perfect Defence; The kickings teams coach may reorganise his players - in other words he can set them up again into another legal defence. The receiving team must remain the same.

5
High Kick: The ball is kicked very high, allowing a player on the receiving team time to move into the perfect position to catch it. Any one player on the receiving team who is not in an opposing players tackle zone may be moved into the square where the ball will land regardless of there movement, as long as the square is unoccupied

6
Cheering Fans: Each coach rolls a D3 and adds their teams FAME (see page 18)and the number of cheerleaders on their team to the score. The team with the highest score is inspired by their fans cheering and gets an extra re-roll this half. If both teams have the same score then both gain a re-reroll for the half

7
Changing Weather: Make a new roll on the Weather table (Page 20). Apply the new weather roll. If the new weather was a 'Nice' result then a gentle gust of wind makes the ball scatter one extra square in a random direction before landing.

Result
8 Brilliant Coaching: Each coach rolls a D3 and adds their FAME(Page 18) and their number of assistant coaches on their team to the score. The team with the highest total gets an extra team re-rol this half thanks to the brilliant instruction provided by the coaching staff. In the case of a tie both teams gain the re-roll.

Quick Snap! The offence start the drive a fraction before the defence is ready, catching the kicking team flat-footed. All of the players on the receiving are allowed to move one square. This is a free move and may be made into any adjacent empty square, ignoring tackle zones. It may be used to enter the opposing half of the pitch.

Blitz: The defence start their drive a fraction before the offence is ready, catching the receiving team flat-footed. The Kicking team receives a free bonus turn: however, players that are in an enemy tackle zone at the beginning of this free turn may not perform an action. The kicking team may use team rerolls during a Blitz. If any player suffers a turnover then the bonus ends immediately.

Throw a Rock: An enrage fan hurls a large rock at the opposing team. Each coach rolls a D6 and adds their FAME (Page 18) to the roll. The fans of the team that scores the higher are the ones that threw the rock. In the case of a tie a rock is thrown at each team. Decide randomly which playe on the pitch is hit by the rock, and make an injury roll for that player. No armour roll is required.

12 Pitch Invasion: Both coaches roll a D6 for each opposing player on the pitch and adds their fame (See page 18) to the roll. If a roll is 6 or more after modification then the player is stunned (Players with the ball \& chain skill are KO'D). A roll of 1 before adding FAME will always have no effect.
